P.W.D) remarks

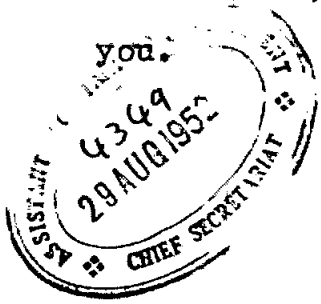
Dear Sri Krishna Rau,

May I request you to kindly refer to para 2 of my D.O. letter of even number dated the 22nd July, 1952, regarding accommodation for a Telephone Exchang at Hospet.

2. The proposed Exchange has to be housed centrally. As it is a vital installation, its location should satisfy the requirements of security as well. The northern wing of the building wherein the Hospet post office is now located, is under the control of the Madras P.W.D. and seems to have been allotted to the P.W.D. Section Officer for use as his quarters. In view of its central location and it contiguity to the post office, this block is very well suited for housing the proposed Telephone Exchange.

3. I shall be very grateful if you could kindly use your good offices with the Hon'ble Ministe for Public Works for the allotment of this block to the P. & T. Department for this purpose. I shall

send a formal requisition to the Madras Secretariat, on hearing further from you.



Yours sincerely,

C.V. Rajan

Dear Dr. Krishna Rao:
The telephone exchange now

is in the Town Police Station

which Telephone Conversations
have not been given in Report.

Provision of accomodation for the
Telephone Exchange.

It has been brought to the notice of the Govt that the Telephone Exchange at Hospet is now in the Town Police Station, and that the public who wish to use it must go to the post office ½ or 3 furlongs away, and that it is difficult to hear anything clearly because of the two connections. The Post-Master General has therefore suggested that the northern wing of the building, wherein the post office is located and which has been allotted to the Section Officer P.W.D. for use as quarters, may be reallotted to the Post and Telegraphs Deptt. for housing the Telephone Exchange, in view of its central location and contiguity to the Post Office. The C.E., P.W.D., (Buildings) is requested to offer his remarks on the above suggestion, in consultation with the C.E.(GE), if necessary. He is requested to treat this reference as very urgent and to submit his report to Govt. on or before 24.9.52. as early as possible.

:::

The buillings now occupied by the Post Office and the Section Officer, Hospet belonged originally to the District Board. With reference to G.O. No. 1393 W, dated 25-11-1909 it was taken over by Government in exchange for the Old Taluk Office buillings at Hospet. It was allotted to the Post Office and to the Office of the Sub Assistant Inspector of Schools. Later on the portion occupied by the Sub Assistant Inspector of Schools was taken over by the Public Works Department for locating the Public Works Department Stores. This portion is now used as Section Stores and quarters for the Section Officer, Hospet. As it will not be possible to obtain alternate accommodation, I suggest that the Postal Department may be requested to arrange for the construction of a new building for them, for which there is enough open space in the compound.
